As used in this letter, the term "AWP" or "Average Wholesale Price" constitutes a reference for each Novartis product, set as a percentage above the price for which each product is offered generally to wholesalers. Notwithstanding, the inclusion of the term "price" in "Average Wholesale Price", AWP is not intended to be a "price" charged by Novartis for any product to any customer.

Please use the above information to update your system. Should you have any questions, please contact Diane Staub at 973-781-7726.

Sincerely,
